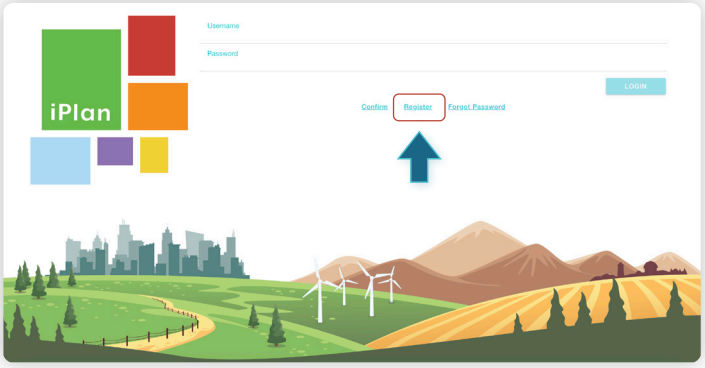
Quick Start Guide

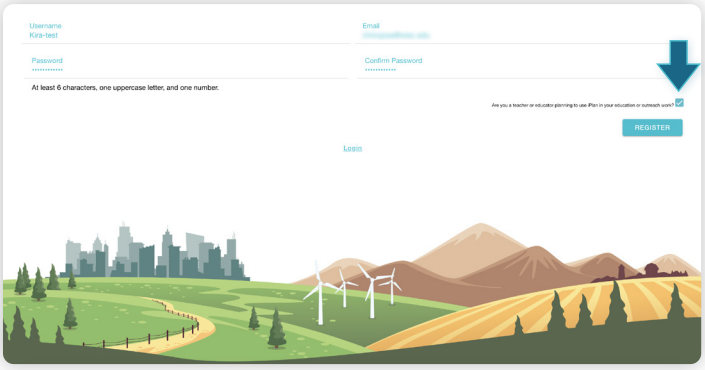
CREATING AN ACCOUNT



Step 1: Register

Using Chrome, Firefox, or Safari, go to: https://app.i-plan.us/

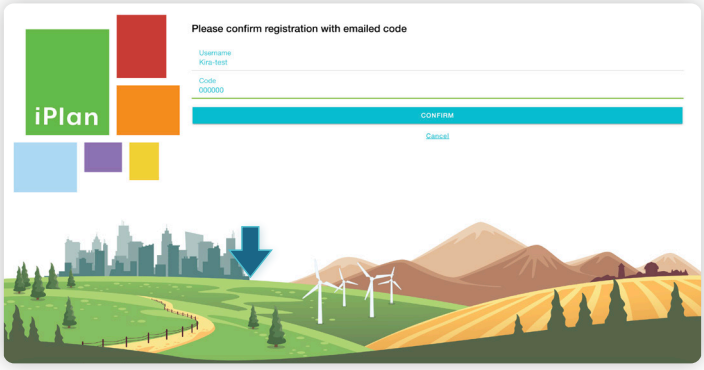
Select **Register** to create an account.



Step 2: Create Account

You will be prompted to enter an **Email Address** and to create a **Username** and **Password**.

If you indicate that you are an **Educator**, you will be able to import other users under your account and see data associated with those users. This is helpful for managing use of iPlan in classrooms or other educational settings.



Step 3: Confirmation Code

After you fill in all the required information, you will be emailed a **Confirmation Code** to enter on the next screen and complete your registration.
